

INVEST IN YOURSELF AND YOUR FUTURE — BECOME A CNP

With the **Certified Nonprofit Professional (CNP)** credential, you'll gain the skills and tools to accelerate your career, set yourself apart from the competition, and be an asset at any organization.

FAST-TRACK YOUR CAREER

7x

Gain the foundational knowledge and skills needed for successful leadership in social-impact organizations. In fact, research shows CNPs are 7x more likely to rise to a leadership position, when compared to their non-CNP peers.

CNP CREDENTIAL

Get Recognized

Upon completion, you will receive a digital version of the CNP credential that can easily be uploaded to LinkedIn and other digital platforms — allowing nonprofit hiring managers to find you easily.

POWERFUL NETWORK

10K+

Join a powerful network. The Association of CNPs includes 10,500 social-impact leaders. We have CNPs in leadership positions in *every* national nonprofit organization — and in many local organizations as well. The Association provides mentoring, resources and support to its members — and membership is free to all CNPs!

CNP REQUIREMENTS

- Coursework (check with your campus contact for details)
- Attendance at one Alliance Management Institute (a national nonprofit career conference)
- Professional experience, a service-year or a nonprofit internship
- Leadership/service activity
