

BE A CHANGE AGENT

WE NEED YOU!

Save the animals. Save music in schools. Save humanity. The nonprofit sector provides so many ways for you to make a positive change in your world.

YOUR CAREER AWAITS

Since 2003 the nonprofit sector grew faster—in terms of employees and wages—than business or government. This further demonstrates that the nonprofit sector can lead to a career where you can make a living while doing good.

NATIONAL CREDENTIAL

7x

Research indicates that CNPs are seven times **more likely to rise to a leadership level.**

The Certified Nonprofit Professional (CNP) credential includes a powerful combination of classroom learning and practical skillbuilding activities that bolster your ability to find a great nonprofit job and excel at it.

JOIN THE MOVEMENT

10K

Nearly 10,500 social-impact leaders have completed the requirements for the **CNP credential.**

The Alliance network includes 50 top colleges, universities and national nonprofits—and 10,000+ CNPs leading some of the country's most successful social-impact organizations. Whether you are interested in volunteer coordination, fundraising or program management, the CNP program is a proven method to launch your nonprofit career.
